200.000€

This fabulous retreat is just a step (literally) from the sea and the bustling Zenia Boulevard, a modern two-story gem. On the ground floor, you'll find a kitchen so contemporary your friends will think you stepped out of a design show; it flows into a bright living room where fireplaces aren't just decorative—they'll keep you cozy when needed. Step outside and discover the cozy terrace, perfect for sunny breakfasts or impromptu drinks with clear views. But that's not all—head upstairs to enjoy two spacious bedrooms filled with natural light, where even the sunbeams would want to stay, plus another full bathroom because we know how important “me-time” is. Here's another big surprise: direct access to another stunning private terrace just before the incredible rooftop solarium. Can you imagine sipping cocktails while watching Instagram-worthy sunsets? The nighttime lights sparkling like stars are included too! Don't wait any longer; this little slice of paradise is waiting for you.
