

3 soveværelse Landsted til salg i Algueña, Alicante

150.000€

This well-kept country house is located in a quiet area, just one minute by car from the center of Algueña. Set on a 1,200 m² plot, the property offers peace, space, and everything you need to enjoy outdoor living, whether as a main home or a weekend retreat. The house is all on one level and has three bedrooms, one bathroom, a living room with a fireplace, and a kitchen. At the front, there's a closed-in glass porch where you can sit and enjoy the view of the garden in any season. Out back, there's a patio with a built-in barbecue—great for lunches or dinners with family and friends. The garden is easy to maintain and includes a private pool, a shaded area created with hedges shaped like a pergola, and a space set up for outdoor dining. There are also olive and almond trees on the plot, as well as a storage area for tools. The house runs on solar panels, helping keep energy costs low and making it more independent. About the area: Algueña is a small, quiet town in the province of Alicante, surrounded by mountains, vineyards, and open countryside. It has everything you need for daily life—shops, a health center, pharmacy, and places to eat. You're also close to bigger towns like Pinoso or Novelda. It's a great option if you're looking for a calm place to live, close to nature, but still well connected. If you'd like more details or want to arrange a visit, feel free to get in touch.
