429.000€

Discover an innovative residential development designed to offer the perfect combination of privacy, comfort and community. This exclusive development, located just a few metres from the prestigious Serena Golf course and just a few minutes from the beaches of the Mar Menor and La Concha in Los Alcázares, redefines the concept of home with contemporary design and privileged natural surroundings. At Costa Serena, you can enjoy a unique development where each home has private spaces and access to large communal areas with swimming pool, thus achieving the ideal balance between independence and coexistence.

OUTDOOR AREA Each home has been designed with a modern architectural approach, incorporating sustainable elements and high quality materials to ensure efficiency and comfort: Ground floor bungalows with private gardens of up to 122 m². Top floor bungalows with terraces and private solarium, perfect for enjoying the sun and views. Three types of detached villas, available on one or two floors, with plots ranging from 201 m² to 356 m². Modern façades that combine elegant lines with top quality materials. Green areas and Mediterranean landscaping, integrated in a peaceful and harmonious environment. Parking space and storage room in basement in all homes.

INDOOR AREA Each home is designed to maximise natural light and comfort, offering a sophisticated and functional environment: Intelligent layouts that optimise the space in each home. Spacious living rooms with panoramic windows that connect with the exterior and enhance natural light. Modern design kitchens, fully equipped and with customisable finishes. Master suite with total privacy, separating the rest area from the bathroom for greater comfort. Contemporary bathrooms with high quality materials, guaranteeing elegance and functionality. Energy efficiency systems, including solar panels and aerothermal equipment for a more sustainable home.

COMMON AREA This residential complex not only offers designer homes, but also an exclusive environment with spacious communal areas designed for leisure and relaxation: Communal swimming pool surrounded by landscaped areas, ideal for enjoying the Mediterranean climate. Relaxation and recreational areas, to share with family and friends. Secure and quiet urbanisation, with private access and family atmosphere.

LOS ALCÁZARES Los Alcázares, on the Costa Cálida, is known for its long beaches with calm waters and its relaxed atmosphere. This tourist
