

5 soveværelse Byhus til salg i Casas del Señor, Alicante

99.950€

We are pleased to bring to the market this lovely 5 bed 4 bath property in the heart of the village of Casas del Señor. The current owners have done a lovely job of fully renovating this property from new electrics and plumbing to adding extra kitchen and bedroom allowing the property to be one large family home or splitting the property into two areas to allow for a income via air BnB. The ground floor of the property boasts two bedrooms with one being En-suite, a lounge, kitchen, and a lovely terrace balcony of the rear bedroom. The upper floor has two lovely large bedrooms both with En-suite. The lower floor is a large sleeping area, lounge, bathroom, and a kitchen with dining area that leads to the rear patio with its own entrance, lending itself to a rentable place for workers, cyclists, or general holiday makers. This is a must see property that is priced to sell.
