"Astrid Torremuelle is a unique real estate development that redefines the concept of living in front of the Mediterranean. With an exclusive design, this development offers 74 2 and 3 bedroom homes, each with a garage and storage room included. A unique project where comfort, exclusivity and sea views come together to create the home you were looking for.

Contemporary architecture, combined with open and bright spaces, creates an ideal home for those seeking quality of life in a privileged environment. Complete the experience with common areas that include perfectly maintained gardens and swimming pools where you can relax while contemplating the sea in the foreground.

The project is located in an elevated position that allows you to enjoy spectacular panoramic views of the Mediterranean Sea, creating a unique environment that combines serenity and exclusivity. In the immediate vicinity there are prestigious educational centers, medical centers, supermarkets, and commercial areas. This balance between tranquility and accessibility makes it a perfect place to establish your home.
