A MORE CREATIVE WAY OF LIVING

Creative Homes Boulevard is located in the northwest of Malaga next to the university area of Teatinos. The Creative Homes Boulevard residential complex is a perfect harmony between beauty, functionality and design, as reflected in its avant-garde building that houses 1 to 4 bedroom homes with large terraces, and its spectacular common areas designed for everyone and everyone.

Welcome to the Creative Living Club

At Creative Homes Boulevard there is a different way of living, in which well-being, art and innovation merge to foster a more creative, relaxed, healthy and happy lifestyle. A place designed to take care of you, with a wellness area with gym, swimming pool and spaces for relaxation and meditation. To inspire you, where avant-garde architecture and design are breathed in every corner. To transform yourself, where innovation facilitates your day to day, with an app that will allow you to control access to your residential, book common areas and much more.

A Boulevard for a more active life

If you are looking for a new way of living, in Creative Homes Boulevard you will find a modern and inspiring environment in a new residential area of great projection next to Teatinos-Universidad, a new neighbourhood, perfectly connected, with wide roads, large avenues, more than 13,000 m² of green areas and all the necessary services, where life revolves around a spectacular boulevard of more than 23,000 m² with all the equipment you can imagine: sports courts, skate park, petanque area, playgrounds and canines, recreational and catering areas.
