

Andet til salg i Torremendo, Alicante

120.000€

We present you a plot of land in the outskirts of Torremendo with a warehouse (registered on the deeds) with many possibilities, wether commercial or residential, this can be a great home for someone who likes tanquility or the perfect business as it has the space to do different trades, or can even be both at the same time . There is currently electric from the mains but not water. Price is fixed.
