Unique opportunity in Los Cristianos!

We present this fantastic apartment in a beautiful residential complex with a communal pool, located in one of the most sought-after areas in the south of Tenerife. Originally a one-bedroom, it has been intelligently renovated and converted into two spacious double bedrooms, providing an ideal space for both living and investing.

The apartment is very bright and in excellent condition. The modern-style kitchen has been used for just a year and is equipped for maximum comfort. The doors and windows have been renewed with high-quality aluminum carpentry.

It features a 16 m² terrace with open views, perfect for enjoying the island's privileged climate all year round. It is just a 7-10 minute walk from the beach, surrounded by all necessary amenities: supermarkets, restaurants, public transportation, and much more.

An exceptional opportunity for those seeking a versatile, modern home in a prime location in the heart of Los Cristianos. Don't let it slip away! Contact us for more information or to arrange a visit.
