259.995€

We are delighted to present this unique and spacious property located in the picturesque village of Hondón de las Nieves, offering direct access to the mountain — an ideal setting for those seeking peace, nature, and authentic Spanish living.

The house is divided over two floors.

On the upper floor, as you ascend the stairs, you'll find a convenient storage area. To your left, a bright landing leads to four comfortable bedrooms and a fully equipped family bathroom, perfect for accommodating family and guests.

On the ground floor, the main level features a versatile layout, including two inviting living rooms, each with a cozy fireplace, a spacious kitchen, one bedroom, a family bathroom, and ample storage spaces.

The patio is the heart of the home — a tranquil retreat with two staircases leading to multiple terraces. One terrace features an outdoor shower and access to a second terrace with panoramic views. The other staircase leads to an additional storage room and terrace overlooking both the mountains and the village. The patio also includes a utility room, an exterior toilet, and a 10,000L rainwater tank. From here, there is also direct access to the garage.

The spacious garage accommodates up to two cars and includes a traditional wood oven, a kitchen area with gas butane stove, oven, and sink, as well as a woodshed and extra storage space. Outside, there's additional parking available. When you open the garage door, you're immediately greeted by the mountain — a perfect spot to relax, unwind, and enjoy nature.
