

3 soveværelse Villa til salg i Finestrat, Alicante

439.900€

Explore 18 splendid luxury homes featuring terraced designs that provide breathtaking 360° panoramic views of the Mediterranean Sea. Constructed with premium materials, these residences offer advanced aerothermal systems, thermal and acoustic insulation, pre-installed home automation systems, and jacuzzi. Options for a private pool are available, and the properties boast an exceptional A-grade energy efficiency rating. With living spaces ranging from 160 m² to 296 m², these homes stand out for their spaciousness and comfort. The generous terraces range between 35.87 m² and 100 m², complemented by solariums of no less than 90 m² on the upper floors, perfect for enjoying the more than 330 sunny days each year in this Costa Blanca paradise. Each residence includes 2 or 3 spacious bedrooms, 2 bathrooms, a large open-plan living area, and a well-lit kitchen with an island. Additionally, the properties feature underground parking and elevator access. The residential complex boasts extensive green areas, children's play zones, relaxation spaces, an indoor gym, and a large communal pool, creating the ideal setting to enjoy leisure time with family and friends. This exclusive residential area is perfectly situated with easy access to public transportation and direct routes to major roads, merely 30 minutes from the airport and high-speed train station. Located near all essential amenities including shopping centers, restaurants, and schools, this development provides unparalleled convenience. If you're in search of a serene corner within a privileged setting, this is your opportunity.
