

3 soveværelse Villa til salg i Los Alcazares, Murcia

559.900€

Welcome to the enchanting villas inspired by the serene allure of the Greek Islands. The Mykonos and Santorini villas are an iconic project, unmatched in the Murcia, Los Alcázares area, redefining modern Mediterranean living. Immerse yourself in a home where natural fiber elements blend perfectly with Mediterranean design, crafting a tranquil island escape. These unique residences are a testament to exceptional architectural innovation, characterized by their gently curved lines and meticulous island-inspired designs. Distinguished by their serene aesthetics, the villas offer three comfortable bedrooms within a spacious 112 m² layout. With pricing ranging from 379,000 € to 449,900 €, they present an idyllic opportunity for high-quality living. Positioned in two exquisite locations, these villas not only offer a luxurious living space but also the charm of being part of a vibrant community. Nestled near the renowned La Serena Golf, the Los Alcázares location provides a privileged setting near the Mar Menor, perfect for those seeking a harmonious blend of leisure and lifestyle in a picturesque coastal environment.
