452.000€

This new off-plan development is an exclusive collection of just 40 apartments with 2, 3, and 4 bedrooms, thoughtfully distributed across 4 low-density blocks. This boutique-style resort includes, in the price, two garage spaces and a storage room for the 3- and 4-bedroom units, and one garage space plus a storage room for the 2-bedroom homes.

The development's carefully designed communal areas include separate adult and children's pools, both secured for peace of mind, and surrounded by lush Mediterranean landscaping. Residents can also enjoy a spacious gym overlooking the gardens and pool, bathed in natural light and views of the green zones.

Each building has been oriented to maximise natural light and views. Ground floor units offer private, enclosed gardens, while the penthouses boast spectacular terraces complete with private pools — perfect for making the most of Estepona's enviable climate
