255.000€

This is a bright and comfortable apartment in La Recoleta, one of Punta Prima's most popular developments. It has two bedrooms and two bathrooms, an open kitchen and a spacious living room that leads out to a sunny balcony with views over the park. The community is very well kept, with three swimming pools surrounded by gardens and green areas. There's also private underground parking and a storage room. La Recoleta is known for its quiet, residential feel and its excellent location. You can walk to the sea in just a few minutes, and there are cafés, restaurants and supermarkets close by. Punta Prima itself is a relaxed coastal area just south of Torrevieja, with a long promenade, several small beaches, and good public transport connections. It's a great spot for anyone who wants to be close to the sea but still have a calm and comfortable place to come home to.
