Set on 18,000 m² of land, this property is ideal for anyone seeking peace, space and an authentic Andalusian lifestyle. Access is easy thanks to the electric gate and a convenient covered parking area. The main house together with the independent guest apartment offers around 124 m² built, perfectly arranged for comfortable year-round living.

The outdoor areas are designed to enjoy the environment to the fullest: landscaped gardens, multiple shaded corners overlooking the valley, and a barbecue area perfect for outdoor dining. The swimming pool completes this private and inviting retreat.

Inside, the main house feels surprisingly spacious, offering several interconnected living zones: a TV area, dining space, sofa corner beside the large glazed window, and a separate workspace.

The property includes 2 bedrooms and 2 full bathrooms, plus additional storage rooms and a large multi-purpose room currently used as a tool workshop, which could easily adapt to other uses.

A beautiful blend of nature, privacy and comfort in one of Órgiva's most sought-after locations.
