

4 soveværelse Byhus til salg i Castillo de Locubin, Jaén

24.995€

This 4 bedroom townhouse is situated in Ventas del Carrizal in the south of Jaen province in Andalucia Spain. Set back from the main road, on a raised tree lined street, this terrace property needs some renovation work but is priced to sell at under 25,000 euros. You enter the townhouse into a hallway with an air conditioned lounge on the right, then stairs take you to the first floor where you have a front double bedroom with a Juliet balcony on the right. To the left, a landing leads to another bedroom with an ante room off which is a small terrace and a storage room. Back on the ground floor, the hallway continues to what could be a 4th bedroom, then you have the 2 kitchen areas, the first with a feature fireplace and the second with a cooking range and fitted cupboards. From the second kitchen space is a ground floor shower room and steps taking you up to a good size storage room, from here further steps lead up to more unconverted storage and attic rooms. The property has town water and electricity connected allowing for remedial work to be carried out with ease.
