

Jord til salg i Yecla de Yeltes, Salamanca

12.000€

This 6,900 m² plot of land is located in the municipality of Yecla and benefits from good access by road. The property includes one water share and the right to a water connection point, which adds value for agricultural use or land maintenance. The plot is well suited for farming, planting, or recreational use in a rural setting. Please note that construction is not permitted on this plot. According to local regulations in Yecla, a minimum of 20,000 m² is required to build, and this surface area may be achieved through multiple plots, even if they are not adjoining. About the Area Yecla is well known for its strong agricultural tradition, open countryside, and wide landscapes. The town offers a full range of services, including shops, restaurants, schools, and healthcare facilities. It also has good road connections to nearby towns and cities, making it a practical location for those seeking rural land with easy access to urban amenities. The surrounding area is ideal for agricultural projects and for those who value space, privacy, and a quiet environment.
