We are offering two studios for temporary rental located on Antonio Ponz Street, in the Malvarrosa neighborhood, within a completely renovated building divided into four independent studios, each with its own access. These units represent an excellent option for couples, students, or professionals seeking a comfortable stay by the sea, equipped with all the necessary amenities for day-to-day living.

Both studios have been recently renovated and are in very good condition. They feature an independent bedroom with a double bed, a full bathroom, and a fully equipped kitchenette (cooking plate, oven, microwave, and refrigerator). Each studio has a split-type air conditioning unit (cooling and heating) and high-speed internet access. The approximate sizes are 27 m² and 31 m² respectively, offering well-utilized layouts and a comfortable, bright atmosphere. As a common area, the property includes a spacious shared patio of approximately 47 m², ideal for enjoying the outdoors and the Mediterranean climate year-round.

The studios are available for temporary rental and are suitable for couples. The rent is €900 per month (utilities are not included, totaling €75 per month per person).

The location is one of its main attractions: just 300 meters from Malvarrosa Beach and surrounded by supermarkets, shops, bars, and restaurants. Additionally, the area has excellent public transport connections to downtown Valencia, universities, and the airport.
