

3 soveværelse Byhus til salg i Altea, Alicante

995.000€

A new 198 m² villa for sale in the town of Altea. The property was built in 2021. The house features three bedrooms, two bathrooms, a guest toilet, a separate kitchen, a living room with a fireplace, and a walk-in closet. From the entrance hall you can also access another part of the house, where there is a spa area with a sauna, shower, and a spacious relaxation room. The house has been finished to a high standard, with every detail carefully thought out. One of the key advantages of this property is its single-level layout, which offers maximum convenience and comfort. The plot includes a parking space for a car, a private swimming pool, a lounge area with a sofa and armchairs under a canopy, as well as a barbecue area. When you buy property in Spain, you can apply for a Spanish residence permit. Our company can help you obtain any type of residence permit.
