

2 soveværelse Lejlighed til salg i Torrevieja, Alicante

284.000€

Stylish living on the Costa Blanca This attractive new-build project in La Siesta, Torrevieja combines modern design with comfort and high-quality facilities. The apartments offer 2 bedrooms and 2 bathrooms (one en suite) and are arranged in low-rise buildings around a beautifully landscaped communal area. Each home features an exclusive outdoor space: ground-floor apartments with a private garden, first- and second-floor homes with generous terraces, and penthouses with an elegant private rooftop solarium. The exclusive gated community offers excellent amenities including swimming pools for adults and children, landscaped gardens, a barbecue area, a children's playground, a padel court and a pétanque court—perfect for both relaxation and an active lifestyle. Located in the La Hoya area, between the salt lakes of La Mata and Torrevieja, this project offers peace and nature while keeping all amenities close at hand. Beaches, shops, restaurants and the centre of Torrevieja are easily accessible, as is the La Mata Natural Park. All apartments are finished to a high standard and include: Fully equipped kitchen with appliances Air conditioning and aerothermal hot water system Motorised shutters and security entrance door Underground parking space and storage room As a launch offer, the first homes sold include a complete furniture and lighting package. Your new home under the sun With more than 300 days of sunshine per year and a vibrant Mediterranean lifestyle, Torrevieja is ideal for permanent living, a holiday home or a smart investment. Contact us today to discover this exceptional new-build project on the Costa Blanca.
