The house is accessed from the top floor, where there is a large covered outdoor car park and an enclosed garage with capacity for several vehicles. From this floor, the hall leads to the leisure areas and the rest of the house via a lift and an interior staircase, ensuring comfortable and functional circulation between all floors of the house. The house spans three floors, featuring five bedrooms and nine bathrooms. On the main floor, we can highlight a spacious living room that opens to the designer kitchen featuring a central island and walnut and anthracite finishes. Upstairs, three bedrooms with en-suite bathrooms and private terraces will ensure the comfort of your guests. The lower level, designed for leisure and relaxation, features a cinema room equipped with a surround sound system, a gym, a heated indoor pool, a sauna, and a hammam, as well as a guest apartment with a kitchen, a living room, and an additional bedroom with an en-suite bathroom. Each bathroom is a showcase of contemporary elegance with suspended toilets, over-the-counter sinks, recessed taps, and large-format tiling in warm, sophisticated tones. The horizon becomes a permanent spectacle from the terrace: the sea, the Peñón de Ifach and the coast unfold before your eyes like a living work of art. The infinity pool seems to merge with the blue sky, inviting you to relax and enjoy the essence of life.
