Live in the heart of Novelda with style and space!

We present this beautiful apartment, full of light, charm and possibilities, located right in the center of Novelda, in a quiet, well-connected area with all amenities at your fingertips.

Perfect for those looking for roominess, comfort, and a home ready to move in (or easily personalize from day one!).

The apartment measures 130 square meters, nicely laid out with 2 spacious bedrooms, ideal for rest or working from home, and 2 full bathrooms, great for everyday use or entertaining visitors comfortably.

One of the biggest appeals is its built-in closets, giving you storage space without sacrificing design. It was renovated in 2004, so you'll enjoy a modern, updated home within a building constructed in 1979.
