

Lejlighed til salg i Inca, Mallorca

560.000€

Building for sale in Inca Mallorca an investors opportunity. Centrally located in the northern western section of the town, a seven minute walk from the train station and six minutes' walk from the central shopping district. Ideally positioned for development the property, has multiple options available as a conversion from commercial use to living spaces. Its land registry classification would permit a change of use to multi family building with a maximum of five homes or a division into two townhouses could also be an option due to the length of the façade. If you would like more information about this building for sale in Inca, contact us for more details. Inca is the capital of the Raiguer region in Mallorca and is famous for its shoe and leather industries. Most of the administrative offices of the region are located in Inca, including the law courts and property and land registry offices. The town is a mixture of commercial outlets for larger companies like Camper Shoes, large supermarkets and urban areas of apartments and houses. Inca was known for its wine cellars many of which are now being used as restaurants. Inca is the capital of the Raiguer region in Mallorca and is famous for its shoe and leather industries.
