Charming and Uniquely Quirky Cave-House Property with Exceptional Outdoor Living

This wonderfully unusual and characterful home offers a rare opportunity to own a part cave-house set within a picturesque hamlet, surrounded by peaceful countryside and breathtaking panoramic views. With extensive outdoor space, a large terrace, a fully equipped outdoor kitchen and BBQ area, and a private pool, this property is perfect for those seeking tranquillity, charm, and a lifestyle connected to nature.

As you enter the main property, you are welcomed into a cosy entrance area that leads to two double bedrooms. A hallway then guides you to one of the cave rooms, currently used as an additional bedroom — a truly special feature that adds to the home's unique appeal.

Inside, there is a snug sitting room with a log burner, ideal for winter evenings. The property also boasts a second family sitting room with characteristically low ceilings — a delightful quirk where you may need to duck — which leads through to a separate kitchen, another sitting area, and a family bathroom.

Outside, the charming courtyard offers even more potential. Here you will find two additional rooms, currently used for storage, with one easily convertible into another bedroom, studio, or hobby space.

Located just 10 minutes from La Murada, where you'll find all essential amenities, and 20 minutes from Orihuela City, this home combines rural tranquillity with convenience.

An added bonus — the caravan is included in the sale.

This one-of-a-kind property is perfect for anyone looking for character, privacy, and a touch of the extraordinary.
