Luxury New Build Attached Villas with Sea Views and private pool in Casares del Sol

Exclusive Residential Development in Casares del Sol

This elegant new build residential project features 55 attached villas with private swimming pools, ideally located in the sought after area of Casares del Sol on the western Costa del Sol. This peaceful residential enclave is known for its proximity to top golf courses, beautiful beaches and the traditional white village of Casares, offering a perfect blend of nature, Mediterranean lifestyle and understated sophistication. The development is just minutes from Azata Golf and the prestigious Finca Cortesin Resort, one of the most exclusive golf destinations in southern Spain.

Spacious Contemporary Villas with Sea Views

Each villa is distributed over two floors and offers three spacious bedrooms plus an office space, three en suite bathrooms and two additional guest toilets. Designed to maximize comfort and elegance, the homes enjoy breathtaking sea, golf and mountain views thanks to their south and south east orientation. The plot is ideally positioned along hole 14 of the renowned Finca Cortesin golf course, creating a unique setting of exclusivity and natural beauty.

Elegant Architecture and High Quality Interiors

The residential complex is defined by its avant garde architecture and modern lines, with floor to ceiling windows that flood the interiors with natural light and seamlessly connect indoor and outdoor spaces. The open plan kitchen with a central island is fully equipped and becomes the heart of the home, combining functionality with sophisticated design. Spacious living areas open onto terraces and gardens, creating a harmonious atmosphere ideal for entertaining and relaxation.
