#### Property Description

This beautifully designed villa offers a bright and contemporary layout across three levels, maximising natural light and functional living.

On the main floor, the spacious open-plan living area connects effortlessly to the kitchen and dining zone, creating a warm and airy atmosphere. Large windows frame views of the pool and garden, while an adjoining utility room adds extra convenience. A stylish guest bedroom and full bathroom complete this level.

The first floor hosts two generously sized bedrooms, each with its own en-suite bathroom. One suite includes a walk-in wardrobe, while the other opens onto a private balcony overlooking the garden and pool.

The top level offers a versatile fourth room—ideal as a home office, studio, or guest space—along with two impressive terraces. From here, you can enjoy far-reaching views over Ciudad Quesada, the surrounding landscape, the salt lakes, and even the distant Mediterranean.

The exterior spaces are thoughtfully designed for easy maintenance and year-round enjoyment, including multiple terraces, a sunbathing area, and a private saltwater pool. The plot also provides secure parking via a private garage.
