

2 soveværelse Lejlighed til salg i Pinos, Alicante

89.995€

We are delighted to present this exceptional two-bedroom apartment in the highly desirable and authentic Spanish town of Pinoso – a location loved by international buyers for its relaxed lifestyle, friendly community and stunning mountain surroundings. The current owners have fully renovated, beautifully decorated and tastefully furnished the apartment to an impeccable standard, creating a stylish yet comfortable home that is completely ready to enjoy from day one. Entering via a spacious hallway, you will find two generous double bedrooms, both with built-in wardrobes. The master bedroom enjoys direct access to a large private balcony via patio doors, offering wonderful open views. A modern, well-appointed bathroom is also located off the hallway. The apartment then opens into a bright and spacious open-plan living and kitchen area, designed for easy living and entertaining. With double-aspect patio doors leading to two separate balconies, the space is flooded with natural light and enjoys a wonderfully airy feel throughout the entire property. Both balconies offer open views of the surrounding mountains and countryside, providing the perfect setting for sunny breakfasts, relaxed afternoons or evening drinks as the landscape changes colour at sunset. Residents also enjoy access to a well-maintained communal swimming pool, ideal for relaxing, socialising and keeping cool during the warmer months. Pinoso is a vibrant yet traditional Spanish town, offering excellent restaurants, weekly markets, shops, medical facilities and year-round fiestas, all while retaining its authentic charm. Alicante airport and the coast are easily accessible, making this an ideal lock-up-and-leave holiday home, permanent residence or investment property. Sold fully furnished, this superb apartment truly allows you to arrive with your suitcase and immediately begin enjoying life in Spain. A standout property, finished to the highest standard, and one of the very best apartments of its kind currently available.
