Fabulous, detached villa with an abundance of land and numerous outbuildings with various opportunities to develop into amazing business opportunities or simply, one of a kind, characteristic Spanish home. The main building situated just down the private driveway consists of two parts. The first part, originally used as the private residence for the old owners, consists of five good-sized bedrooms, two large living/dining areas and a bathroom. The second part, previously used for multiple business purposes including a restaurant, has several large rooms for multi-purpose use, a fully fitted kitchen as well as a small space towards the back that features a built-in barbecue. You are not short of space with this property as it comes with a plot size of 26,000m² that includes terraced and grassed areas, another large barbecue area, stables, private pool with a brand new pump and filter system, and private driveway entrance.
