Emerald View Club Residences is a unique residential project on the Costa del Sol that combines breathtaking panoramic views, exceptional on-site amenities, and a serene, private location.

Every apartment in the complex offers unobstructed sea views, allowing residents to enjoy the beauty of the coast from the comfort of their homes. The project features a wide selection of properties — apartments, penthouses, garden, and sky villas — designed to suit different lifestyles.

The internal infrastructure has been thoughtfully created to meet the diverse needs of residents. The community includes several swimming pools, a linear park with walking trails, and multiple sports areas such as paddle tennis courts and a golf simulator.

The Social Club offers a gym, spa, indoor pool, and relaxation areas — creating the perfect balance between comfort, leisure, and wellbeing.
