

3 soveværelse Lejlighed til salg i Torremolinos, Málaga

432.000€

Spectacular flat of 110 m², with a totally South orientation, second floor with lift, which is located in one of the most privileged areas of Torremolinos, specifically in La Carihuella-Montemar, one of the most sought-after and demanded areas for its charm and proximity to the sea. The house has been designed in a functional and elegant style, optimising every square meter to offer convenience and comfort to its future residents. It has a private parking space. The flat has three large bedrooms, all of them exterior and with windows that allow abundant natural light to enter, as well as offering incredible sea views that provide a feeling of tranquillity and serenity. The design of the bedrooms makes it possible to make the most of the space, creating cosy and bright environments. A master bathroom equipped with a shower is presented, decorated with quality materials and modern details. In addition, it has a second bathroom that is currently used as a toilet, but has prepared the necessary infrastructure to convert it into a complete bathroom with shower, providing greater comfort and functionality. The kitchen, independent and carefully equipped with state-of-the-art appliances, offers a comfortable and functional space to prepare delicious meals. Its modern and practical design facilitates the culinary experience and allows an excellent distribution of the necessary elements. The spacious living-dining room is presented as a privileged space for rest and conviviality, with great light coming from its windows. From this room, there is access to a terrace that offers panoramic and unobstructed views of the sea, ideal for enjoying the good weather and practising moments of relaxation or socialising with friends and family. The residential complex in which the flat is located has first-class facilities: large gardens and green areas that provide a natural and peaceful environment, both outdoor and indoor swimming pools for enjoyment at any time of the year, and a communal sauna to relax after a long day. All this in a safe and well-cared for environment, designed to provide a comfortable and quality life. Its strategic location allows easy access to supermarkets, health centres, leisure areas, train stations and bus stops, as well as schools and other essential facilities, thus facilitating a practical and comfortable life for its residents. In short, this property represents a unique opportunity for those looking to live near the sea in a privileged environment, with all the amenities at their fingertips.
