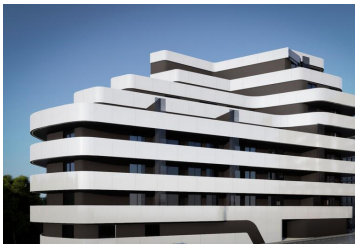
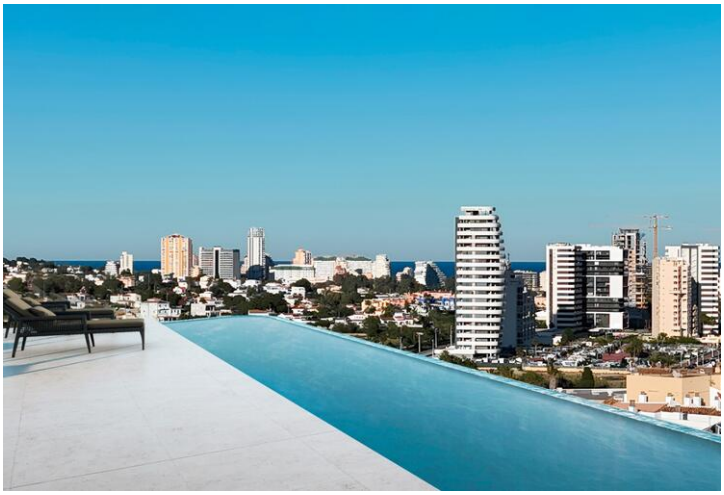
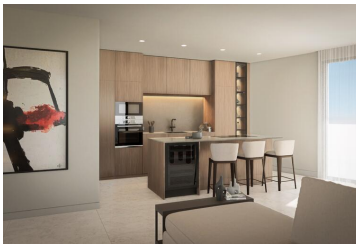
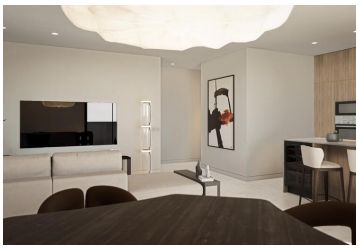
1 soveværelse Lejlighed til salg i Calpe, Alicante

413.470€









A modern apartment complex with extensive facilities will be built in the centre of Calpe. Planned completion: Q4 2027. Penthouses with 1 bedroom and 1 bathroom. The price is a starting price.Thanks to its central location, almost everything Calpe has to offer is within walking distance, including shops, the beach, supermarkets, restaurants, etc.DescriptionThe 1-bedroom penthouses consist of a living-dining room with open kitchen, one bedroom, one bathroom and a terrace. The property is finished with low-maintenance materials and modern installations, including double glazing, a security door, heat pump and air conditioning via an integrated duct system.The kitchen is fully equipped with appliances from Bosch or a similar quality brand. Pre-installation for charging electric vehicles.The building has seven floors and is equipped with a lift. Limited sea views are possible from the top floor. Not all penthouses are located on the top floor due to the shape of the building. Communal facilities: outdoor swimming pool with sun terrace, indoor swimming pool with spa, gym, co-working space, storage, parking and 24-hour security. The energy label A emphasises the low energy consumption and efficient construction.DetailsNew build penthouse in Calpe centre1 bedroom and 1 bathroomLocated on the top floorTerraceCommunal indoor and outdoor swimming poolSpa & gymCo-working spaceParking and storage facilities24-hour securityEnergy label ACompletion Q4 2027Starting priceWhy view this penthouseIn the centreEnergy-efficient new buildVariety of communal facilitiesAn excellent new-build penthouse in a central location in Calpe, with completion planned for the end of 2027.For current availability, prices and floor plans of the apartments for sale in Calpe, please contact our office.
