Welcome to your sunny corner of the Costa del Sol, where luxury meets relaxed Mediterranean charm. This stunning detached villa in Mijas is more than just a house; it's a lifestyle upgrade in sight.

With five spacious bedrooms and five exquisitely designed bathrooms, there's ample room for family, guests, or simply to relax and enjoy your own private space. The villa boasts a prime location with breathtaking panoramic sea and mountain views, a landscape that transforms your morning coffee into a mini-vacation.

Step inside and discover a perfect blend of timeless elegance and modern sophistication. A stylish designer kitchen, open-plan living spaces, and high-end finishes create an atmosphere that is both elegant and comfortable. Outside, an infinity pool and landscaped garden provide the perfect setting for relaxing afternoons, enjoying a drink at sunset, or entertaining friends in style.

And because modern living should be simple, the house is equipped with smart technology and energy-efficient features, including advanced home automation and solar panels, so you can enjoy luxury with a reduced environmental impact.
