

4 soveværelse Villa til salg i Albir, Alicante

925.000€

Only 193 meters from Albir's main street and 920 meters from the beach, this charming home offers the best of both worlds: central walkability and residential peace. The property is semi-attached but feels fully detached inside, thanks to its layout and orientation. With four bedrooms upstairs and a smaller ground-floor room perfect for guests or a home office, it provides flexible living options. The double-height living room is spacious and filled with light, opening onto several terraces and a private pool area. The rooftop solarium enjoys scenic views across to the Altea church dome, Sierra Bernia, and Sierra Helada. A private garage, outdoor parking, and included furnishings (list available) complete the offering. A well-located home for those wanting space, privacy, and close proximity to all of Albir's amenities.
