

2 soveværelse Lejlighed til salg i Torrevieja, Alicante

142.000€

Discover this delightful apartment located in the vibrant center of Torrevieja, just a short distance from the beach (only 1000 meters away). Priced at €142,000, this property spans an impressive constructed area of 76.00 m² and offers a comfortable usable space of 66.00 m². The interior features one double bedroom, one additional room suitable for various uses, as well as a modern bathroom and an extra toilet for convenience. This apartment is move-in ready with excellent conservation status and boasts attractive views along with ample natural light due to its favorable west orientation. In addition to its prime location near shopping centers and schools—making it perfect for families—the building provides essential amenities and proximity to public transportation options such as nearby bus services. Families will appreciate easy access to children's play areas within walking distance. This charming residence combines comfort with accessibility while offering everything you need right at your doorstep.
