475.000€

New construction villa with pool in Polop de la Marina Can you imagine living in a unique house... in an enviable environment... near the sea and the mountains?? We present this promotion of 107 m2 chalets, all on one floor, built on an independent plot of 432 m2 located in the La Alberca de Polop urbanization. You will enjoy the peace that living on the outskirts gives you, you will fall in love with its surroundings, 4 km from Polop and La Nucía, and only 10 km from Altea or Benidorm, very well connected to the highway to go to the airport, Madrid, Valencia ... Of this promotion we highlight the exterior, where the pool is located with an area for sun loungers and barbecue. We enter the house... imagine yourself with your partner in the living room, lying on the sofa and the sun flooding the entire room with light through the huge windows overlooking the spectacular pool. That you are hungry? You prepare an aperitif in the kitchen open to the living room while you watch your favorite series or keep an eye on the little ones. If we continue moving through the house we find 3 bedrooms with custom closets, two bathrooms, one of them en suite. They also have a solarium, you can enjoy beautiful views of the sea. Don't keep imagining... MAKE IT TRUE!
