

5 soveværelse Villa til salg i Calvario (Javea/Xabia), Alicante
3.400.000€

Beautiful villa in a unique location in Javea right in front of the sea, between the Port and the Arenal, 7 minutes walk from both.

Arriving at this magnificent property, which is distributed over 3 floors, we find a terrace at the front with sea views from where we can enjoy the beautiful sunrise. Upon entering the interior we find a spacious living-dining room with large windows to enjoy the sea views from the comfort of your sofa. Further on, through an archway, we enter a hallway with 2 spacious bedrooms, 2 bathrooms and a large fully equipped kitchen, followed by a large and bright interior patio with a glazed roof that can be opened and where we find a second living-dining room for the summer. This patio gives us access to a jacuzzi strategically located to enjoy the sea views while we relax in it.

On the upper floor we have the master bedroom with en-suite bathroom and access to a terrace with sea views, along with a further 2 bedrooms with access to a shared side terrace and another bathroom. The property has yet another floor that leads to a small room with access to a solarium.

This property is equipped with air conditioning throughout the house and has a parking space.
