215.000€

Casa Tobosito lies just out of Alcaucin village on the road leading to the national park. The property is on three levels: the garage for two cars is on the lowest level. Two bedrooms and a shared bathroom, and the master bedroom with a very big en-suite bathroom are on the second level. And the third level is the main living area. This floor has a modern kitchen with a built-in washing machine, dishwasher, microwave, oven, and a fridge/freezer. A toilet and big lounge, with patio doors leading onto a private covered terrace where you have a beautiful open view. There is access on the front side with 5 steps, or on the back side where the garage is. All the three levels are connected via an internal granite staircase. You can enjoy a communal swimming pool. All the local amenities of the fully-served, Spanish village Alcaucin (bank, health centre, library, etc) lie a short walk away. This property is in no need of renovations and repairs.
