Ready October 2025 – Now Brand New and Ready to Move Into

We are delighted to present this magnificent and spacious penthouse with expansive terraces, a private pool, and a stunning solarium. Previously under construction and now in its final stages, this is now a brand new and ready to move into project, with handover just around the corner.

The interior offers an exceptional layout featuring four elegant bedroom suites, each with its own private bathroom, along with a guest toilet. A generous open-plan living area and fully fitted modern kitchen create a bright and welcoming atmosphere. Positioned on a corner with only one neighboring apartment, the property ensures outstanding privacy and tranquility.

Set within an exclusive frontline golf development next to Santa Clara Golf, the penthouse is surrounded by Mediterranean pine trees and beautifully landscaped green areas. This gated community of just 104 luxury apartments offers premium amenities including two large swimming pools, lush gardens, a fully equipped gym, a spa with heated indoor pool, relaxation zones, and a solarium.

The low-rise design features only two penthouses and two ground-floor residences per block, delivering a sense of space and privacy reminiscent of a villa. Floor-to-ceiling sliding doors flood the interiors with natural light and seamlessly connect to the terraces. The open kitchen is fitted with high-end appliances, sleek quartz countertops with integrated LED lighting, and a separate laundry room for added convenience.

Each bedroom includes built-in wardrobes and a private bathroom, while the master suite enjoys direct terrace
