

12 soveværelse Lejlighed til salg i Torrevieja, Alicante

1.700.000€

An exclusive investment opportunity is available in a recently constructed residential building, situated on a 335 m² plot, designed with a modern, functional approach and intended for both residential use and tourist accommodation. The property stands out for its excellent layout, high-quality construction and the possibility of obtaining a tourist licence, which significantly enhances its appeal and potential profitability.~~The building comprises four independent dwellings, including a spectacular duplex penthouse, as well as a spacious basement providing parking spaces and storage rooms. The layout has been carefully designed to maximise comfort, privacy and efficiency in each unit.~~On the ground floor is a 80 m² flat, comprising two bedrooms and two full bathrooms. This apartment offers a high level of comfort thanks to its underfloor heating system throughout the property and ducted air conditioning with a heat pump. Of particular note is its extraordinary 125 m² terrace, a spacious and versatile outdoor space that adds significant value, ideal for outdoor dining, gatherings or relaxation areas.~~The flats on the first and second floors each have a floor area of 90 m². Both are laid out with three bedrooms and two bathrooms, one of which is en suite, offering added comfort and privacy. They feature a separate kitchen, a bright living-dining room and pleasant, unobstructed views of the park. Like the rest of the building, these homes feature high-quality finishes, such as smooth walls, a ducted air-conditioning system with heating and cooling functions, and underfloor heating throughout, ensuring year-round comfort.~~The duplex penthouse, occupying the third and fourth floors of the building, is the jewel in the crown of the property. With a total floor area of 180 m², including the terrace, it offers an elegant and spacious layout. On the first floor are three bedrooms, a full bathroom fitted with a shower and jacuzzi, a spacious living room and a separate kitchen. The second floor features an impressive open-plan space of approximately 40 m² combining the living room and kitchen, as well as an additional bathroom. This floor leads out onto a magnificent 30 m² terrace equipped with a barbecue area, ideal for enjoying the climate and the Mediterranean lifestyle. The penthouse also features a separate ducted air conditioning system on both floors (dual system) and a comprehensive sound system integrated throughout the property, providing a superior level of comfort
