1.440.000€

We present a unique opportunity to acquire a premium penthouse in Sunset Cliffs. Located on level 24, this magnificent corner home offers privacy and exclusivity, being the only one on its level. With three bedrooms and two bathrooms, this flat stands out for its spacious and functional layout. The flat boasts premium features including high ceilings, marble floors and underfloor heating. Luxury entrance doors ensure a stylish and secure welcome, while the high-end kitchen and bathrooms designed for comfort add a touch of sophistication. Furthermore, the flat includes a double storage room on the same level, providing additional storage space. Two convenient parking spaces on level -2, along with another storage room, complete the practical facilities of the home. The building offers a wide range of amenities: from a cinema and games room, to a children's room, gym and sauna, there is something for everyone. Summer and heated winter swimming pools, along with heated Jacuzzis, ensure that there is always somewhere to relax and enjoy. The satellite dish and terrestrial antenna guarantee excellent signal reception, completing the range of services available.
