

4 soveværelse Villa til salg i New Golden Mile, Málaga

8.319.279€

An exclusive residential development, offering premium villas in different layouts, inspired by the design of Automobili Lamborghini, the ultimate luxury sports car brand, featuring futuristic lines and innovative technologies since 1963. The total number of villas set on the side of the hill will be 53, and each one will stand on a different level, providing you with stunning waterfront views. Future residents are offered three types of villas with spacious living areas from 7,320 sqft to 15,608 sqft and huge plot sizes from 10,818 sqft to 31,011 sqft. Each residence comes with a private car elevator, ideal for a Lamborghini or any other model of car. Kitchens will feature built-in appliances, including a fridge, an oven, a hob, a hood and a dishwasher from Miele or an equivalent brand, while bathrooms will be equipped with sanitary ware from Duravit, Kohler or an equivalent. The properties are located in the Benahavis municipality just a short drive from Marbella, Puerto Banus, Estepona and many other incredible Costa del sol locations. ** Contact us now for the full brochure and availability, 4 - 6 bedroom models are currently available **Plots also now available from €1,464,646
