

5 soveværelse Landsted til salg i Yecla, Murcia

339.000€

Unique opportunity: spacious estate with two adjoining country houses and two casitas, located in the countryside of Yecla

In the beautiful countryside of Yecla, close to Pinoso, you will find this special property consisting of two adjoining country houses, two casitas and a very large plot of land. A unique opportunity for those who dream of space, tranquility and the possibility to create their own place under the Spanish sun.

The land

The plot is accessible through two entrance gates and is surrounded by a beautiful landscape with mature trees. The current owners have kept animals here for many years; several facilities for this purpose are still present, making the land ideal for animal lovers, small-scale farming or a self-sufficient lifestyle.

Across the property you will find several spots where you can enjoy both sun and shade, while the open views over the surrounding (mountain) landscape provide a wonderful sense of peace and space.

The country houses

The property consists of two adjoining homes, making it particularly suitable for large families, dual living or hosting many guests.
