

3 soveværelse Lejlighed til salg i Estepona, Málaga

1.495.000€

Perfectly positioned along Estepona's New Golden Mile, this exclusive beachfront community in Costalita offers a calm, established setting with mature gardens and multiple swimming pools, just moments from the sea. With direct beach access and close proximity to a wide selection of golf courses and restaurants, it's a location that balances convenience with a more relaxed, residential feel.

This is a brand-new 3-bedroom apartment, set within a secure, resort-style complex just steps from the Mediterranean. The main living space is bright and open-plan, combining the lounge and dining area, and opening directly onto a generous southwest-facing terrace with open sea views. A fireplace adds a more homely touch, making it a space that works just as well year-round as it does in the summer months.

The kitchen is modern and well finished, fully equipped with high-quality German appliances, including a Thermomix, offering a practical setup without compromising on design. All three bedrooms are well proportioned, with a clean, contemporary finish, and are complemented by modern bathrooms fitted with quality fixtures.

There is also a separate office area enclosed with glass curtains, creating a quiet and light-filled workspace, along with a dedicated laundry area. Throughout the apartment, the design leans towards a neutral, warm palette, giving it a comfortable, understated feel rather than something overly styled.

A solid option for anyone looking for a turnkey beachfront property with good outdoor space, sea views and a well-established community on the New Golden Mile.
