2 Schlafzimmer Appartement zu verkaufen in Algorfa, Alicante

169.900€

Superb apartments with 2 bedrooms, 1 bathroom, fitted kitchen & extraordinarily spacious terraces of up to 100 m2 where you can enjoy almost 300 days of Spanish sunshine a year. All the apartments have private parking, a community pool & even a shared multi-use room. This in particular is a ground floor apartment.

These apartments are located in Algorfa, in the south of Alicante. A strategic location in the Vega Baja region, close to both the best beaches of the Costa Blanca, as well as the main cities in the area & thanks to its excellent connection with the AP7 just 5mins away from the apartments.

This project highlights the importance of sustainability in construction. The importance of building in a way that respects the environment, generating the minimum impact. These apartments are located on a plot that has already been developed so that there is no new environmental impact. The project focuses on the recovery of an existing commercial building & its conversion into luxury apartments fully integrated into the urbanisation, thus improving both the landscape & the quality of life in the area.

In addition, the project contemplates 920m2 of commercial units with big terraces, to complete the offer of services currently existing in the urbanisation.
