The ground floor currently has a small kitchen with separate toilet, 2 bedrooms and a sitting room, plus a nice entrance hallway. Out the back is the garden of about 220sqm. With the addition of a bathroom, this could work well as an apartment for living in then maybe renting out the rest of the house.

Up to the 1st floor where there are 3 more bedrooms, a 2nd kitchen, bathroom and sitting room.

Then on the top floor there are 3 rooms, which need some work so a blank canvas which you could make another into another apartment or ensuite bedrooms if you want to run this as a B & B€

This could be a really good investment as its a sizable property with huge potential and lots of options. All the main amenities of this town are not far so you have access to many local bars, restaurants, a hospital and shops etc and a lovely park.
