The property is located in a nice area within the popular town of Martos and near all amenities including banks, shops, bars and restaurants. It is possible to create a garage for extra storage.

At the moment the property has 3 lounges, 5 bedrooms, 3 bathrooms, kitchen, patio, terrace and another 5 rooms ready for convertion. This would be ideal as a small hotel, B&B or fabulous home. You could also live in one house and rent out the other so lots of possibilities.

The town of Martos is located on a western peak of the Sierra Jabalcuz mountain range. It belongs to the metropolitan Area of Jaén, which is considered to be the second most important city after the capital. The closest airport is Granada which is around 50 minutes away or the larger airport of Malaga is around 1 hour 3/4. Martos is considered to be the greatest producer of olive oil in Spain. The town is situated beneath the Cerro de la Peña, topped with the ruins of the castle of the same name. This compact town spreads out over the slopes of the hill, under the Castle of La Villa and the Church of Santa María. Its privileged location offers beautiful views over a vast sea of olive trees. There is a large outdoor market held weekly near the park and several fiesta's are held here throughout the year. This is the perfect town for those wishing to experience the true Spanish lifestyle.
