

## 4 Schlafzimmer Villa zu verkaufen in Carmona, Sevilla

350.000€

Immerse yourself in the historic essence of Carmona with this charming home that perfectly combines traditional charm with modern amenities. With 2 floors, 4 bedrooms, 3 bathrooms and a central patio with arches, this property has been completely renovated with excellent qualities, offering a unique experience in a quiet and central area of Carmona.

This house is much more than a property; It's a trip through time. With a rich history that is reflected in every corner, living here is to immerse yourself in the authenticity and tradition of Carmona.

The property has been meticulously renovated, using high quality materials that respect the original aesthetics. From floors to ceilings, every detail has been carefully selected to provide a unique experience.

With 4 bedrooms and 3 bathrooms, the house offers a spacious layout that combines functionality with elegance. The spaces have been designed to make the most of natural light and create a cozy atmosphere.

The charming central courtyard with arches is the heart of the house. A versatile space that provides light and ventilation, creating a harmonious connection between the different areas of the property.

Located in a quiet and central area, this house offers you the tranquility you want, while being close to all the amenities of the center of Carmona.

Every corner of this house is a testament to bygone eras, with architectural elements that have been preserved and enhanced during the renovation.
