

4 Schlafzimmer Landhaus zu verkaufen in Montecorto, Málaga

800.000€

The good life Ronda Style ! This Country Finca of 23 Hectares has it all !

23 hectres (230,000m² of useable fertile land - there is a small vineyard , olive grove, vegetable garden and many trees of mixed varieties. Many mature eucalyptus trees.

Currently there are two 60m² semi detached cottage on the Finca and 150m² outhouse which is divided into two . New building laws will allow for a brand new built house up to 2,000m² . Ideal for a tourism related development or large vineyard

Delightful streams run through the land . A water Well and there are water deposit and pumps that can be connected to the Mains supply - but the owners never did this as they have ample supply of water without this !

You can plant several types of crops that would adapt perfectly. Pistachios, Olives, Almonds, vineyard. The farm has been dedicated to cereal crops until this time .

Located 5 minutes from the incredibly pretty white village of Montecorto in the Grazalema Park region , 25 minutes from Ronda town centre .

There are two semi detached houses on the property , each have a floor size of 60m² and are mirror images 2 bed 1 bathroom each . These sweet little cottages would make either good staff accommodation or holiday rental cottages .

The land is flat . Ideal for horses and absolutely perfect for touristic development
