

6 Schlafzimmer Stadthaus zu verkaufen in Zahara de la Sierra, Cádiz

160.000€

Just off the main street of Zahara lies this stunning example of Andalusian architectural history. The current layout is 4 bedrooms, two sitting rooms, kitchen and bathroom plus attics and basement storerooms all of which could easily be restored to provide additional accommodation. The property would lend itself to a large family home with guest apartments or a small boutique hotel. There are many traditional and antique features which would form part of the restoration and although modernisation work is required, the structure is sound, dry and stable. Zahara de la Sierra is a municipality in the province of Cadiz in the hills of Andalusia. It is perched on a mountain, overlooking a valley and a man-made lake formed by the dam that must be driven over to access the town. It is considered to be one of the pueblos blancos or 'white towns' because the overwhelming majority of the buildings are white. Situated midway between Ronda and Seville, the town is on the edge of a Natural Park and provides access to some of Andalusia's beautiful country side but is only an hour from Malaga airport.
