Homes specially designed for enjoying the Mediterranean lifestyle. The south-facing position and the spacious terraces ensure an optimum use of sunlight. Inside, the meticulous layout is focused on enhancing social life and preserving the privacy of the most intimate rooms of the house.

The open-plan area containing the kitchen, living room and dining room extends outwards in the form of a continuous terrace. With an area of more than 30 square metres and a glass balustrade, you can enjoy breath-taking views of the natural environment.

You can also choose from a range of 2 and 3 bedroom properties or opt for one of the 52 ground floor apartments with garden, or for one of the 52 penthouses with solarium and with the option of a private pool. All have a covered parking space and a storage room included. There are endless possibilities for you to find a home that best meets your needs.

The penthouses act as an observatory overlooking the Estepona landscape. Their terraces, with a solarium and an optional private pool, are interwoven as one more element of the design. The boundaries between the outside and the inside are blended so that you can enjoy the best design with panoramic views.

Relax in your own private oasis and experience nature from every part of your home.
