

3 Schlafzimmer Appartement zu verkaufen in Torrevieja, Alicante

195.000€

This apartment is amazing! The house is located on the first floor with an elevator, distributed in 3 bedrooms and 2 bathrooms, both with a shower. It has large built-in wardrobes, a fully equipped independent kitchen and 2 patios, one is a light patio and the other is almost 40m² and includes a storage room. If that's not enough, it also has a large terrace from which you can see both the beach, which is just 60m from the house, and the Church of the Sacred Heart of Jesus in Torrevieja. The home is located in the Nautilus Building, in the center of Torrevieja and very close to the beach. It is also just one step away from everything you need such as supermarkets, shops, beaches, bars, restaurants, bus stops, schools, medical centers, shopping centers, walks, the fair and many more places of interest. This home includes a garage, which can be accessed from the same building as the home by elevator or stairs. The garage is very necessary since Torrevieja is a very tourist city due to its climate and its beautiful beaches and walks. I didn't think twice! If you are interested, call us!
